Better yet, opt for a relaxing and romantic sunset cruise on the deep sea entertained by dolphins, or set your sights on exploring one of the many sandbanks found around the resort.

However, the highlight when at Cinnamon Velifushi Maldives remains to be snorkelling or scuba diving at the house reef, particularly the one-of-a-kind ‘dive with sharks’ excursion that brings guests up-close-and-personal with nurse sharks; and they explore nearby shipwreck dive sites, falling in love with the uninhibited freedom felt all around you.
